

Long Term Care Insurance

Applying is as easy as A-B-C!

A. Gather this Information to Complete your Application

Your Primary Physician's Information:

- Your primary physician's name, address, city, state, ZIP and phone number
- The date of your last visit to your primary physician (month and year only)

The following information is needed from the last three years:

- Information for conditions medically diagnosed/treated
- Names, dosage and reason for taking any prescription medication(s)
- Dates and reasons for hospital or rehabilitation center confinement
- Contact information for physicians seen other than your primary physician

Bank account or credit card information for premium payment, if applicable

B. Complete Your Application Online

Click on the **"Quote and Apply Online"** link to access the LifeSecure Long Term Care Insurance Application for Business Women Connect. If approved for coverage, you will receive a **10% discount** on your premium because of your affiliation with Business Women Connect, as illustrated in the Quote Calculator.

The entire application process generally takes about 20–30 minutes. The first few sections ask for your health and contact information. Next, you select coverage options and select your premium payment option. The remaining sections of the application require you to acknowledge that you have read and reviewed important information within the application.

C. After Submitting your Application

Once your application has been submitted online, it will be reviewed by LifeSecure's underwriting staff for consideration. In some cases, the underwriters may require additional information, including records from your physician(s). If approved, you will receive a Welcome Package containing your Policy and other useful information. If you are approved for any rate class other than preferred, your package will include an Amendment requiring your signature to verify your acceptance of the premium.

To check on the status of your application at any time, please visit: www.YourLifeSecure.com, click on the "Groups & Associations" purple box. Enter the user name and password created during your application process.
