We are happy to notify you that your application for LifeSecure's Long Term Care Insurance Policy has been approved. On your application, you had elected to accept your policy documents electronically. (And we *thank you* for choosing this *new "green"* option from LifeSecure!)

Your important policy documents, including your detailed Schedule of Benefits, are now available within your LifeSecure Personal Web Portal. Please follow the simple "[LifeSecure Personal Web Portal Access Instructions](#)" by clicking on this link.

Once you have logged into your Personal Web Portal, you may review all of your policy documents by following these steps:

1. Click "Your Policy" in the top menu bar. You will see a list of one or more LifeSecure policies in your name.
2. Click the underlined Policy Number of your choice. Details of your coverage will appear on the resulting screen.
3. On that screen, click the "View Policy Documents" button. You will now be able to view PDFs of all documents related to your policy, including a copy of your original application.

If you have any questions or need assistance, please contact us anytime.
