

Hospital Recovery Insurance

11 Reasons Why It May Be Right for You & Your Clients

01

Cash benefits paid for care in an observation unit**

02

Added protection from financial setbacks after a hospital stay

03

Family protection - coverage provides separate Benefit Banks for the insured and each covered family member.

04

Supplemental coverage for senior clients. Issue ages through 85, and guaranteed renewable for life.**

05

Consideration for Type II Diabetes (noninsulin dependent).

06

Ideal for selling to clients with high deductible health plans.

07

Quick and easy online application process with e-signatures.

08

Can be sold year-round & increase your commissions - plus no commission reductions at higher ages**

09

Guaranteed issue opportunities for individual and worksite clients**

Daily Benefit Amount up to \$900** and three benefit-enhancing rider options:

- Emergency Room & Ambulance Benefit
- Major Diagnostic Exam Benefit
- Rehabilitation Facility Benefit

11

Simplified application with only four health questions** and few decision points.

10

** Applications and policy features, benefits, rates and availability may vary by state. Certain features only available with next generation 3.0 policies.
