## Personal Accident Insurance with Accidental Death Benefit

### Help protect your hard-earned wages and savings with Personal Accident Insurance.

Your medical plan provides benefits to help with medical costs if you suffer an accidental injury. In that unfortunate event, you shouldn't have to worry about unexpected financial setbacks resulting from the injury. Things like lost wages plus your out-of-pocket expenses and the cost for help with transportation, meals, child care, or even housekeeping can all add up. Personal Accident Insurance provides cash benefits regardless of any other insurance you have. By pairing it with your medical plan, you can extend your protection to help with those unexpected costs, so you can focus on healing.

### Accident Medical Expense Benefits – Standard Features

**Eligible Issue Ages:** 18 through 74. This policy is guaranteed renewable to age 85.

**Choose your Annual Benefit Bank Amount:** (any amount within the range shown below in \$100 increments).

Maximum = \$15,000 for individuals or \$25,000 for couples/families

Your Annual Benefit Bank represents the total dollar amount available to you or your family for covered services rendered each calendar year. On Jan. 1 of each year, your Annual Benefit Bank will restore to its full amount. You have the flexibility to choose a Benefit Bank that matches the expected out-of-pocket expenses of your medical plan.

Your Personal Accident benefit payout will be less any adjustments or discounts negotiated between your health insurance plan and providers for services you received.
