Personal Accident Insurance with Accidental Death Benefit

Help protect your hard-earned wages and savings with Personal Accident Insurance.

Your Anthem Blue Cross medical plan provides benefits to help with medical costs if you suffer an accidental injury. In that unfortunate event, you shouldn't have to worry about unexpected financial setbacks resulting from the injury. Things like lost wages plus your out-of-pocket expenses and the cost for help with transportation, meals, child care, or even housekeeping can all add up. Personal Accident Insurance provides cash benefits regardless of any other insurance you have. By pairing it with your Anthem Blue Cross medical plan, you can extend your protection to help with those unexpected costs, so you can focus on healing.

Accident Medical Expense Benefits – Standard Features

Eligible Issue Ages: 18 through 74. This policy is guaranteed renewable to age 85.

Choose your Annual Benefit Bank: (any amount within the range shown below in \$100 increments).

Minimum = \$2,500

Maximum = \$15,000 for individuals or \$25,000 for couples/families

Your Annual Benefit Bank represents the total dollar amount available to you or your family for covered services rendered each calendar year. On Jan. 1 of each year, your Annual Benefit Bank will restore to its full amount. You have the flexibility to choose a Benefit Bank that matches the expected out-of-pocket expenses of your medical plan.

Choose your Annual Deductible

- \$0
- OR
- \$500 – Once the actual cost of your covered medical services exceeds \$500, you'll start receiving cash benefits for the remaining expenses. Your individual deductible resets to \$500 on Jan. 1 each year.

If you select the **\$500 individual deductible** and your spouse/partner and/or children are covered as dependents on your policy, the annual **family deductible is \$1,000** and must be satisfied by two or more covered family members.

Once the \$1,000 family deductible is satisfied, benefits will be eligible for payment for all covered family members for the rest of the calendar year, up to your Annual Benefit Bank amount. Benefits may be paid for a covered family member before the full family deductible is satisfied.

Benefit Payout: If you receive care within 30 days of a covered accident, simply submit proof of claim for your actual medical and/or recovery expenses. While your Anthem Blue Cross medical coverage pays benefits directly to the provider, you can receive cash benefit payouts, minus your deductible (if any) from your Personal Accident Insurance policy.

Example – Individual Personal Accident Benefit Payout

Donna chose a Personal Accident Plan with an **Annual Benefit Bank of \$10,000** and an **Annual Personal Accident Deductible of \$500** to supplement her medical plan. She broke her collar bone while skiing with friends and required immediate medical attention, with reimbursable medical expenses totalling \$8,800.

Reimbursable Expenses	–	Personal Accident Deductible	=	Donna's Personal Accident Benefit Payout
\$8,800		\$500		\$8,300
