

## IN MEMORIAM

It is with great sadness that we announce the passing of our former President and CEO, E. Lisa Wendt. Lisa passed away on Saturday, Feb. 13, at her home, with her husband, Frank, at her side.

Lisa was an integral part of the LifeSecure family. After joining LifeSecure in 2005, she provided invaluable leadership to the company until her retirement in December 2013. Her Long Term Care Insurance (LTCI) expertise, vision, and innovative foresight helped set our company on the path to continued success. An experienced family caregiver, her passion for advocating for LTC planning and protecting care recipients, caregivers, and their families was a daily source of inspiration. Lisa enjoyed more than twenty years of leadership in the insurance industry, with expertise in life, property and casualty, and LTCI.

Born in Szeged, Hungary, Lisa had a passion for fine food and wine. She also loved dogs and enjoyed traveling and spending time with her husband of more than 20 years, Frank, at their home in Stuart, Florida. She is survived by Frank, her sister, Noel, a niece and nephew, and her beloved dogs, Lika and Winter.

The LifeSecure family honors her memory, authentic spirit and friendship. She will be deeply missed. We ask that you join us in keeping her family and friends in your thoughts. Please send any notes of condolence to LifeSecure's home office at 10559 Citation Drive, Suite 300, Brighton, MI 48116, and they will be forwarded to Lisa's family.
